After logging in, you will be directed to a screen that identifies what class of shareholder votes you have for voting purposes. The number of director votes that you are entitled to cast appears in the upper right corner. If you have only Class A shares, you will be given a Class A proxy that allows you to direct votes to A nominees and B nominees. If you have only Class B shares, you will be given a Class B proxy that allows you to direct votes only to B nominees. If you have both Class A shares and Class B shares, you will first be given a Class A proxy. After submitting that proxy, you will be given a Class B proxy. You may cast all of your votes for one nominee or divide your votes among the nominees as you see fit. You may also cast all or a portion of your votes to a write-in nominee.
